

Building Our Walkway

We now have our grass, sun and sky. Let's build the walkway that will pass through our garden.

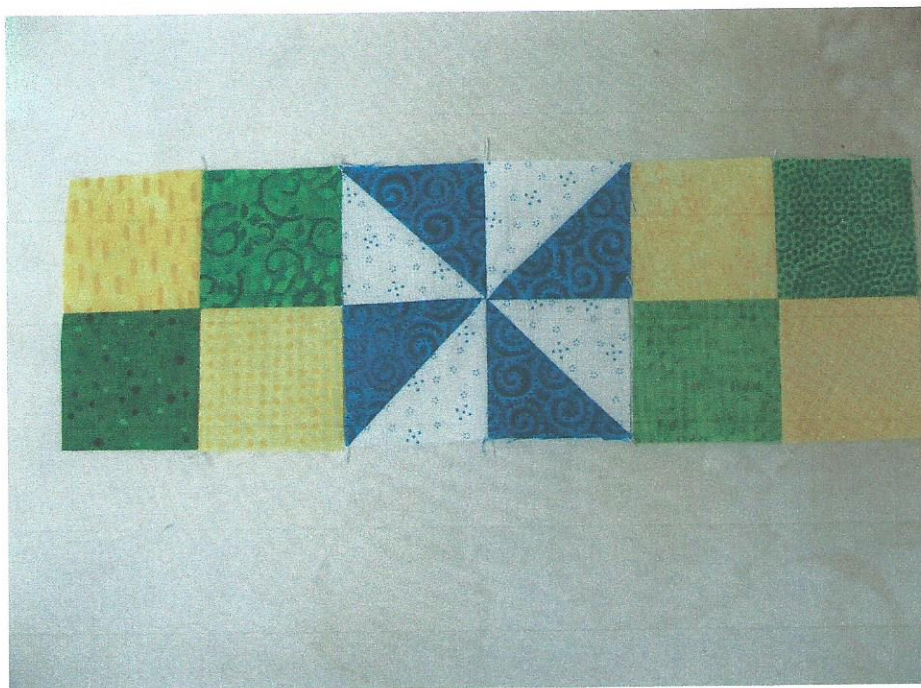

You need 2 - 4 patches (yellow and green) and 1 pinwheel (blue and white).

Now you make a rectangle brick.

4 Patch – Pinwheel – 4 Patch

Make sure your 4 patch has the green square on the top right and bottom left, on both sides of your brick.

Check out the picture!!

You will need 82 pieced bricks.

They should measure $3\frac{1}{2}$ " X $9\frac{1}{2}$ "
