

Quilts for All Seasons

Quilt Show Chair Challenge

The challenge is to make a Christmas stocking. You have lots of time to be creative. Please use the pattern so they are all the same size. You may customize the cuff as you wish.

The stockings will be judged by the quilt show chairs and a ribbon will be awarded for the best. If you choose not to be judged but still want to join in, let us know. All submitted stockings will be filled by our guild after the show and donated to children and adults (as appropriate). You will help someone else have a brighter holiday season.

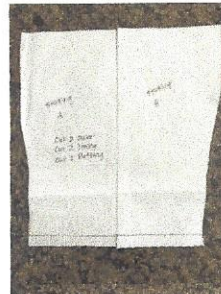

May the joy of Christmas be in your heart,

Sue Halley and Diana Fairchild

Instructions for putting together the pattern:
